Rental Golf Carts for Camp Plymouth FALL Meet
By John Neuenburg

Rental golf carts will again be available from Gipson Golf Carts in nearby Rancho Murieta for our September 2024 event in Plymouth. They will deliver to and pick up from our event for no fee.

These will save some shoe leather. If you have not been to any of our events in Plymouth, it is a physically large venue. It is two-sided with our participants camping in RVs, campers, travel trailers or in cabins at the 49er Village RV Resort, and tenters and truck campers will be across the fence at the Amador County Fairgrounds where our Tent Sector and visitor parking lot are.

Jeeps, Mules, and golf carts are popular due to the distance we travel to shop and see all MVs and vendors. New ones show up daily. There is very little parking inside the 49er Village, and there is no parking allowed along the lanes and roads in either of our campgrounds or in empty campsites because they might not be empty for long. But with a small vehicle it is usually easy to find a camper who will allow you to temporarily pull into their site while you shop or socialize nearby. Normally there is no room to do that with a car or truck.

As in the past, carts are subject to availability. Contact Gipson directly before the event at 916-806-0920 to reserve one and do the rental agreement. The MVCC is not in the middle. We called several companies and found the best deal for you. Four passenger, electric, flip flatbed carts will be $65 per day for a three-day minimum rental. In the past the delivery fee was waived if our event rented a minimum of six carts. Because we have been a regular customer, delivery fees have been waived regardless of how many are rented for our event. Carts are typically delivered to a space next to the 49er office, where the keys are issued.

Carts must be pre-reserved. Gipson will not have a person there offering new rentals.

To cancel a reservation, call them at least 48 hours before our event. You will receive a refund less a small processing fee.
