THE 21-DAY SALUTE TO AMERICA

There is a little-known law that sets aside a period to honor the United States. This law was passed in 1975 and states " ...that Congress declares the 21 days from Flag Day, June 14th, through Independence Day, a period to honor America, that there be public gatherings and activities at which people can celebrate and honor their country in an appropriate manner".

- #1. Display our flag every day during the 21-day period
- #2. Pledge allegiance to our flag each day.
- #3. Urge various organizations to promote America, and unity among all Americans
- #4. Stimulate love and admiration for our National History and traditions during public ceremonies.

Every community, group, and individual may participate in the nation-wide effort by helping the handicapped and the aged, and by encouraging the young to understand the opportunities and responsibilities inherent in our constitutional system.

- Contributed by Matt Siragusa

AT THE FRONT

Dave Ball, MVCC President
(408) 805-0065
vought@msn.com

Hi Everyone... Hope everyone made it home safe and sound and your finding time to get your vehicle ready for the next adventure. Memorial Day and Fourth of July parades and lots of car shows to be found in the events section.

The Collings Foundation is buzzing my house flying in and out of Moffett Field until May 28. Go to their website and find an airport and date near you. When they visit, take a drive out and get a ride in a flying WW2 bomber or fighter. My favorite is the twin seat P-51. If you get a picture of your MV with one of the warbirds, send it to me, and I will put it in the MVCC newsletter. I added a local ad with some contact info in this newsletter. The event section is chock full with things to do. We have a busy year ahead with lots of opportunities to have fun with the old iron. If you know of an event or need one to go to, and you don't see one in the newsletter nearby, give a shout out to your area VP.

If you see an event that is missing from the Events Section, please send it to your editor.

Spring Camp Delta has come and gone. Seems like every year there is more to see and do, and it's getting harder to squeeze it all into a day or even four. Even harder is to watch everyone pack up and leave. We had a little rain which always brings back pleasant memories of Big Bear, and of course, Patterson. I wish to thank everyone who brought MVs. There was some pretty impressive MV's to look at. The M22 Locust must be a first timer and Pete Woodward's beautiful Dodge Half Ton Command Car driving around all buttoned up with all the new canvas and doors was a sight to behold. It stopped several of us bitten by the Dodge Brothers bug in our tracks as it rolled on by with Pete inside smiling. Great job, Pete! You are going to have to get a DUKW trailer to tow behind the PBR, so you can bring both when your boat is ready. John Sorenson bringing his PBR is awesome and having two at Tower might be another first. Coming up on the radar and just around the corner is the MVPA Convention. The host hotel rooms are filling up fast and tables are selling. We have quite a few displays and a couple of firsts that will make this show one to remember and one no one will want to miss. Remember this convention has the opportunity for those who like to camp out and save some money to use for purchasing those hard to find parts. Sites are big enough you can share and there are showers. Across the street (Bernal) from the fairgrounds, there are several restaurants and a Safeway. There will be food vendors onsite and downtown Pleasanton is a short walk away. This is truly an International Convention. We already have many reservations from across the globe. Last time I looked, there were 10 from the land down under, Australia. For those that camp at the fairgrounds, Uber and other transports will make it easy to get back and forth to the host hotel. The host hotel has a restaurant, bar and a big pool... so dig out your Hawaiian shirts and name tags.

Your Board met briefly at Tower Park, and we talked about the rising cost to put out the newsletter, and we decided to make some changes to membership categories and dues. Life membership is no longer an option. We have reached a point that to sustain the cost of printing and mailing a newsletter, it is no longer practical. Also, there are slight increases in regular and three-year membership dues. We now have a new option to pay \$25 a year to receive your newsletter online. You can print it on your home computer in color and save the club and yourself some money.

At this time, only about 8 percent of MVCC members have opted for the online newsletter. The content and size of your newsletter is limited by the 2oz stamp we use. We are over 500 members and growing. Please consider the online option. We will of course continue mailing the newsletter to those who don't have access or use of a computer.

If you have any questions about this or the new policy to limit the Tower Park camping rate discount to members only or anything MVCC related, feel free to call or email me. Remember the convention sellers like preorders, so save on shipping and have it brought to the convention. Things like tires and bulky stuff will save you \$\$\$\$. Some sellers will come across country if they have enough presold to pay for the travel.

Be Safe out there! Dave

July 4th Morgan Hill 4th July Parade. Once again, the MVCC will make a showing in this parade. It has the small town parade flavor with a huge amount of spectators viewing it. This year's theme for their parade is "America, My Home Sweet Home"

For MVCC folks, the wearing of "Hawaiian" shirts over OD or without OD shirts is encouraged. Staging for our group is usually in the parking lot, just off of Depot Street. WE NEED TO BE ONSITE BEFORE 9 AM. If you get there later than 9 AM, the road closure folks, may not let you get to our staging area. (They still may, so it pays to try) Weather is usually HOT, so plan accordingly. The parade route map from their website, does show the parking lot, we normally stage in, just off

Depot Street. The website for parade is <http://mhfreedomfest.com/site/parade/> POC is JoAnn Lesser, mamalesser@yahoo.com or on site look for Kim Sievert. We also head over to a "In and Out Burger" for fine food and cold beverages after the parade.

Hello all,
Tower Park 2016 Spring Meet will have been history by the time you read this, but it hasn't happened yet as I'm writing a week before the event. Speaking of events, here's a short list of upcoming events in the 530-916 area you may be interested in attending. You can bring your Military Vehicle to any and all of the events ...well, maybe not Hawaii. Contact me for more information.

May 7 Meet the Machines show at Mather Sports Complex.

June 11 City of Lincoln Air Fest at Lincoln Airport.

June 29 Tribute America Car Show at the Denny's parking lot on Riley Street in Folsom, paying tribute to America's Veterans and Military Vehicles.

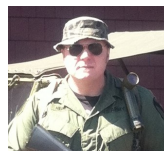

July 4 Parades in Lincoln (contact Ben Hovis), Folsom (contact Dennis Deck), Carmichael, Paradise, Sacramento, etc.

October 1-2 Capital Airshow at Mather Field. Always a good show, featuring the Blue Angels this year.

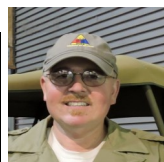

October 12-16 Camp Gridley at Butte County Fairgrounds, sponsored by the Northern Recon Group.

December 5-10 Pearl Harbor 75th Anniversary. Visit Pearl Harbor and WWII military sites the island of Oahu for the trip of a lifetime.

Keep 'em Rollin'

On the Radar for 925 - 510

Well, Tower has come and gone. As usual, it rained right in the heart of the show. For Memorial Day it looks like a lot is happening. Check below and see where you might fit in. Remember to let me know about something you want posted for the sight. I am also personally looking for a couple of volunteers to help with the Raffle and Auction for the convention. Nothing will be super serious. Good way to keep busy in between seeing all the neat stuff. I want to say again to the 510 area guys, I need your help to promote events in your area. So please along the events so that they can get out in the newsletter and on the website.

Mike

AFTER ACTION REPORT

CUCV/LSSV Showcase Awards at the Spring Camp Delta Meet

Owners of these Commercial Utility Cargo Vehicles and Light Service Support Vehicles that are military-modified civilian types from the 1980s into the early 2000s laughed off the Friday rain at Tower Park to compete in a People's Choice contest on Friday morning. Why laugh? Because they have tops and roll-up windows! CASH prizes were sponsored by Dave Wang from ARMYTRUCKS, INC. Dave is in the movie rental business and you can check out what he does at www.armytrucksinc.com. We think some of his MVs will be at the MVPA convention in Pleasanton, CA this August. Thanks Dave! The results were as follows:

1st Place – Kevin Wheeler from Medford, Oregon - \$150 prize

2nd Place – Noel Herve from Willits, California - \$100 prize

3rd Place – Mike Schnitzios from Canyon Country, California - \$50 prize

And the door prize of \$50 based on a drawing of one voter ballot was won by John Weyzoier. It pays to vote folks!

The money was mailed to these folks after the meet because we couldn't swap Dave's check for four MVCC checks at the meet. The exception is John – we don't have his address! Anybody know how to reach him?

Jeff DeGraff organized this display. Jeff is a former MVCC Central Valley VP and he stepped up to help put on the biggest annual MV gathering and swap meet in the West. Thanks Jeff!

Mileage Awards at Tower Park

We had many attendees who travelled long distances to get to the Camp Delta meet. It's the largest annual MV gathering and swap meet in Western North America, so why wouldn't they!

We recognize these folks with an award certificate based on them signing up on sheets posted at the two restroom buildings (if we keep doing this, please enter because we are not mind-readers!) This year, Ron Fitzpatrick Jeep Parts spiced it up by presenting a \$20 Gift Certificate to each winner good for RFJP merchandise. Thanks Ron!

Longest Distance Travelled Driving a MV – Roberto Mossier, Vancouver, BC, Canada drove his WC-52 Weapons Carrier

Longest Distance Bringing a MV – MVCCer Scottie Southerland trailered his 1977 M880 from Oral, South Dakota

Longest Distance Travelled – David Stafford journeyed from Brisbane, Queensland, Australia. Good on ya, mate! Dean Wilcox travelled from B.C. Canada and there were others from many U.S. states but it's hard to argue with a man from Oz who came 7,000 miles! (by the way there are so far eight from Oz coming to our convention and staying in the host hotel)

Hard Luck Award – MVCCer Richard Snedaker from Irwindale took this prize because of a jeep steering box failure that caused it to not make it but he showed up in his big Seabee truck at the end of the Campground 4 pull-through spaces. He beat out Jim "Camp Patriot" Bundgaard who broke the engine in his 1 ½ ton Chevy coming to the meet. Since Jim didn't actually get here, he didn't qualify.

MVPA CONVENTION NEWS

Convention Hotel Room Block Filling Up

As of May 6, both the Tuesday and Wednesday night room blocks for our \$119 convention rate (plus tax) at the Doubletree Hotel in Pleasanton have been consumed. Time to get your reservations in for Thursday-Sunday! The link to our customized reservation page is on the MVPA and our websites. If you phone the hotel or use the general Hilton reservation system, use the Group Code MVC to get the special rate. Do not select days including Tuesday or Wednesday because it will say “no rate available.”

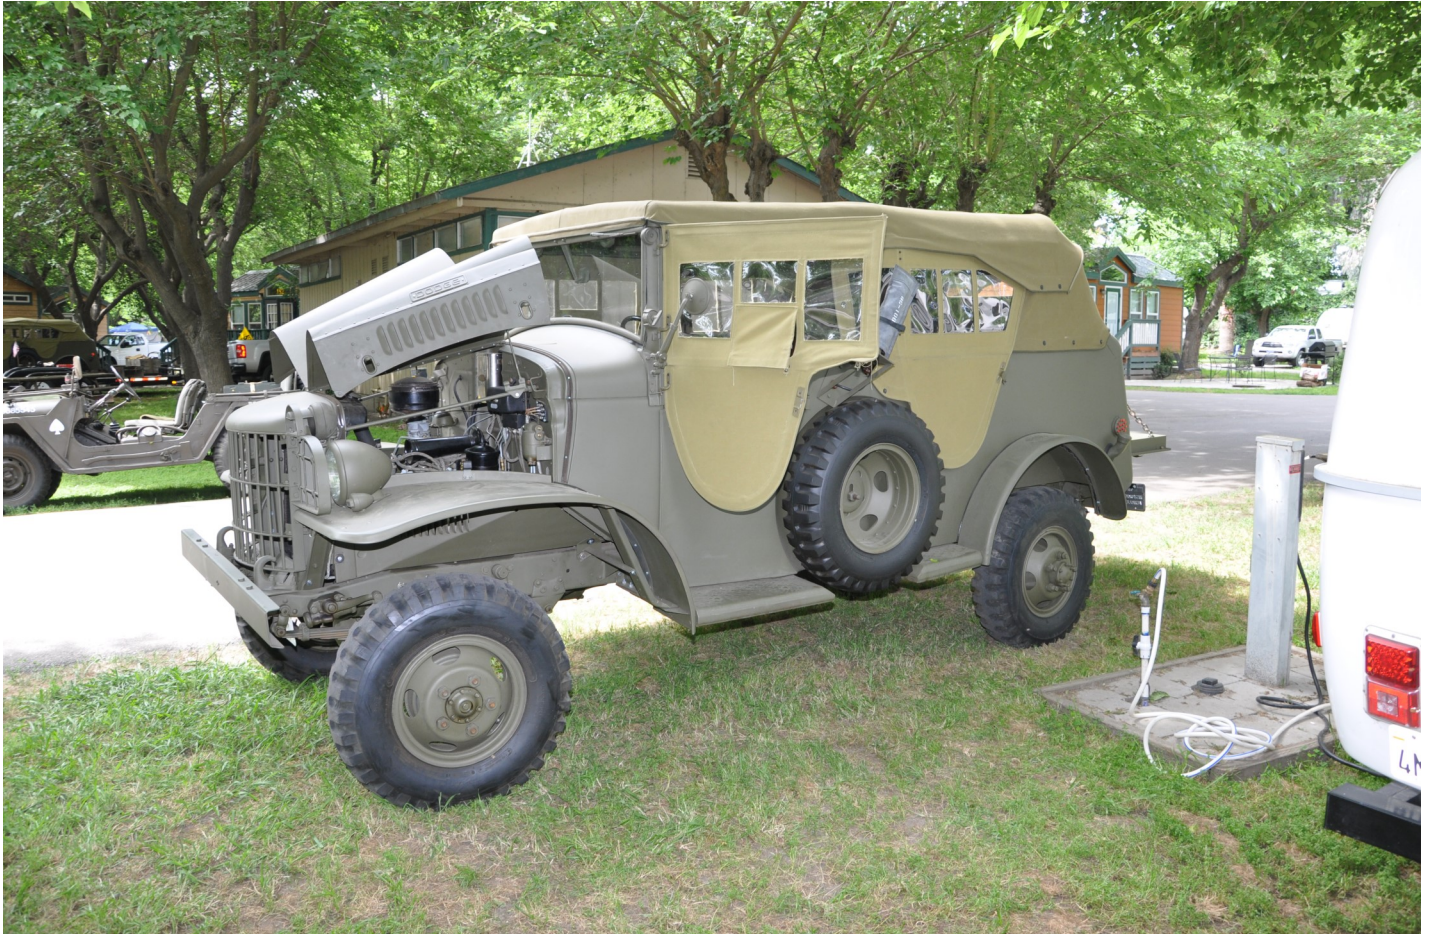

When the Tuesday nights were used up we negotiated for 10 rooms for \$189 rate. Regular August rate for a Tuesday is well over \$220! These rooms might still be available so if you want one, contact our rep Tiffany Choi at 925-737-5607 now. But this deal does not include Wednesday. We had a special rate of \$129 for the prior Friday-Monday. Plug in any or all of those days and you will see it.

We previously mentioned a rate of \$129 having been set for us for the Friday-Monday before the show. As of this writing the hotel is saying it was a “courtesy” and not a “contract” and we are going to learn if they will guarantee it. If you are interested to come in that early, check with John Neuenburg at 415-847-2801 or try to make that reservation using code MVC and selecting Friday-Monday dates only.

Geoff Lippman Cruzin by in the American Armory Museum's Abbott SPG.

It was brought to my attention that many people in the south believe it is farther to Pleasanton than Lodi? On the map above are two black arrows one pointing to Lodi or more specific Tower park out on Highway 12. The other arrow is pointing at approximately where the Fairgrounds in Pleasanton are. If you look in the Pacific Ocean, there is a compass showing north.

Not sure but it sure looks like if you were to draw a line east to west along Highway 12 and another east to west just below Highway 580 near Pleasanton and look at the mileage scale, Lodi is a farther North on Highway 5. Not only that but anyone who travels between Tracey and Lodi will tell you the roads are in disrepair and always under construction. The junction to 580 East off of 5 North moves and it is a quick trip over the hill to Pleasanton. So look at this map and put out the word "ALL Roads Lead To Pleasanton" and the 2016 MVPA Convention. Bring your MV, all sizes, shapes and condition we have the room.

**Eagle Field's Salute to Veterans
Our 31st Annual Gathering
June 11 and 12, 2016**

This Grumman Wildcat and Many other Warbirds will Join Us

Military Vehicle folks are encouraged to come on out on Friday June the 10th, the day before the main events begin, and stay until Sunday the 12th. You can camp over at the old clubhouse, a great hangout, where there are showers. There will be a gratis BBQ on Friday night and pancake and sausage breakfast on Saturday morning. Aircraft arrive all day long. There will be food, drinks and ice cream available Saturday at the Lion's Club food stand over by the NCO Club Quonset hut. If folks are into it, it could be fun to organize and take video of a military convoy around the tree lined former golf course, continuing up to the rough and tough north forty, with an effort to make a potential YouTube video as authentic as possible. There will be a battle reenactment mid-afternoon, and at 5:30 please join us with your vehicle in the parade that will pass in front of an excited dinner dance crowd. In 2015 we had about 725 people for dinner! We will certainly have our AA guns ready in case we have an enemy air attack!

Saturday evening activities are great: Guys, this is one event the ladies will enjoy as much as you do! Folks are encouraged to dress in uniforms and period dress, but dressing up is not required. As you visit the bar, you must check out the interesting silent auction items. The dinner is on the formal side, with patriotic cloth red & blue napkins on a white table cloth, with real china, and two bottles of good wine at each table, two glasses and etc. The food is the best, with huge steaks, half a chicken or veggie lasagna, along with fresh chocolate eclairs. And, an 18 piece big band that plays the old stuff correctly. After dinner there is a tear-jerking musical tribute to veterans as the GIs from all branches of the service come up and stand in front of the crowd as the band plays the anthem of their service. Midway through the evening there will be a terrific dance contest, a huge crowd pleaser. Around 10 PM there is a donut and coffee break. The doors close at 11 PM.

Sunday morning there is a pancake, egg and sausage breakfast in the hangar. Typically everybody enjoys watching the warbirds fire up, takeoff, make a few passes and head home. There is a lot to see, the museum, all the old MVs, including tanks, trucks, a 155 Howitzer, an Iraqi 122 Howitzer (Russian built) and other interesting stuff to see.

Prices: Saturday Dinner is \$65 for Steak or Chicken, \$55 for Lasagna. Sunday Breakfast is \$10

Sewn in our canvas shop from Matrix car cover material. This fabric allows moisture to escape, but rain beads and rolls off. The inside is soft and gentle on your paint job. Can be used outdoors as a weather cover or indoors as a dust cover. This cover is custom fit to the vehicle and features a stretch band in the lower hem to keep the wind from lifting it. Fits over spare tire and gas can. Two large grommets are installed for a security cable or tie down running under the vehicle. Easy for one person to put on or remove. Light gray color outside, white inside. A storage bag is included.

Remanufactured Engines
