Dodge half-ton Carryall project seen at the 2012 spring swap meet at Camp Delta, Tower Park. Anyone know if this got finished, if so send me a picture for the next newsletter. Please bring it to the 2018 Dodge Gathering at Camp Petaluma. That's right, you heard it here. We are formally asking all the Dodge military vehicle owners to bring your trucks to Camp Petaluma, April 24-29, 2018.

International 1-ton M-2-4. This truck may look a little odd and it should it has been restored with a M3 or M5 International cab that has doors and a canvas top. Looks like an M37 only much beefier.  
Built with International parts. Editor

# AT THE FRONT

Dave Ball, MVCC President  
(408) 805-0065  
vought@msn.com

Hello Everyone.

I am sure everyone has heard about the big fires in the North Bay. Disasters like these tend to bring people together listening for news about family and friends hoping and praying for the best. I have been told we have several MVCC members that were affected and from what I have heard more than a couple lost their homes including their vehicles.

The MVCC Board would like to send out our warmest sympathies to everyone affected and wish everyone a safe and speedy recovery. You are in our thoughts and prayers.

I know we have several members who are first responders that were literally putting it all on the line to protect the lives and property of those in the path of the fires. Thank You!

Veterans Day is upon us and there are many parades and events in Northern California.

Check your newsletter's events section and if you have questions, please call the VP for your area or the area the events are being held in that you plan on taking your military vehicle to pay tribute to our troops past and present.

There are several committees (unofficial) that are working on preparations for Camp Petaluma.

I hear the Spark Plugs are talking about preparing a breakfast, and Johnny Verissimo is talking about designs for signage and what members and visitors had trouble locating in camp. Joann is already talking to KOA, and we have begun to shuffle some campers around to sites that have opened up. Some members have decided to double up to make more room and to be close to friends. We are discussing parking and shuttle solutions as well for the non-camper day visitors.

Now is a good time to write emails to your President, VPs, or Joann to discuss ways in which you can help. Our goal is to try and address members concerns and work out some of the bugs from last year.

People who had a large under-used site last year should consider splitting it with a friend. There is a cost savings for both, and we can get more people into the event. More people camping equals more fun and more parts to swap from our overflowing collective.

"Keep 'em Rolling, Floating, and Flying." Stay Safe,  
Dave Ball

mvcc510925@gmail.com

Again this year we have submitted an entry for the Military Vehicle Collectors of California in the 21st Annual Tri-Valley Veterans Day Parade Sunday 5 November 2017 in Pleasanton, CA at 1300 hours. The 2017 Parade Theme is "Medics of the Military".

This is your invitation to join your fellow East Bay Area 510/925 Military Vehicle Collectors in the parade and to transport Veterans and/or Cub and Boy Scouts in one of the best Veterans Day Parades in Northern California. Troop transport trucks are especially welcome.

If you are interested in joining a convoy to Pleasanton, please note the following March Order.

March Order for Military Vehicle Convoy on Sunday, 5 November 2017

Operation/Mission: Convoy to Pleasanton, CA to transport Veterans and/or Cub and Boy Scouts in the annual Tri-Valley Veterans Day Parade. Military vehicles are welcome to join the convoy at a rendezvous location.

Situation: Convoy speed 35 MPH. Arrive at the parade staging area about 1200 hours. Parade steps off at 1300 hours and lasts about one hour. Convoy moves rain or shine.

March Route: No freeway travel. The convoy route follows city streets and back roads. i.e. From Danville, Stone Valley Rd, Green Valley Rd, Diablo Rd, Blackhawk Rd, Camino Tassajara, Santa Rita Rd, Main St, to Pleasanton.

Communications: Those with military radios can maintain contact on 51.00 MHz

Check In: Please advise Andy Shyers if you plan to join the parade and/or this convoy.

**POC: Andy Shyers**

**MVCC Vice President Area 510/925**

**Cell 510-832-4322**

Here's some more Veterans Day events for you:

Veterans Memorial Building, 400 Hartz Ave in Danville will have expanded displays from the USS Hornet including the Doolittle Raid on Tokyo and early war events on Bataan and Corregidor in the Philippines. They will also have a Huey parked on Hartz Ave, Crusader cockpit and other outdoor displays including military vehicles and kids activities. If you are interested in participating with your military vehicle(s) your POC is Tim Sammons, timsamm@gmail.com Tim said they are looking for a few small MV's due to limited parking space. Possibly 2-3 Jeeps or slightly larger sized vehicles. Please coordinate with Tim.

Even if you don't bring out the MV consider a visit to check out the event. Dates/Times: Friday 10 Nov, 0900-1700, Saturday 11 Nov, 1000-1700, Sunday 12 Nov, 1000-1500. Vehicles need not be there for the entire event and it will be possible to rotate if that works for people. More info at WWW.VMBSRV.ORG

Sonny Hanson, No. Bay, East VP  
(707) 552-6918 Div. 707,415  
[sonnyhanson@comcast.net](mailto:sonnyhanson@comcast.net)

Hello to all in what is left of the North Bay. This has been a sad month and hard year for our State and for our Country. First, the floods and now the war on fire have taken many lives and thousands of homes and property. Our hearts are saddened for the loss of Friends, Families and Neighbors. As I write this article, the fires are still burning, still taking lives and property. As we will mourn and grieve for our loss, we will once again rise up from the ashes, rebuild our lives, and be better for it. We are strong; we will overcome, we are Americans. So do what you must do and what you have to do and then let us make our lives great again.

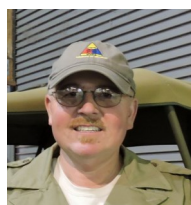

Fleet Week on the Red Oak Victory was a great success with the Blue Angels flying overhead, Food, Dancing, and Pancake Breakfast. Helicopter, APC M113, a 1945 passenger bus, M38, WC1, and lot of activity. This was the last one for the season. The Ship is still open on Tuesdays, Thursdays, Saturdays and Sundays.

I'm going to start off with a little history.... I joined MVCC along with my longtime friend Rick Butler back in 1992; when we started the LRDG truck project. So Rick & I have been a member for 25 years, not as long as some of you but longer than some others. For those that didn't know; Rick has always been a "Ford" man and I had to talk him into this "Chevy Project". I had by that time accumulated quite a bit of British kit but needed a truck to put it on. After Rick agreed to the project we set about looking for a good "donor" truck.

I found the "first" one in an auction yard in Paso Robles on the weekend of the "Rodney King" riots (but that's another story). But we learned that the wheel base was longer than specified in my research and continued looking. Rick found some old farm trucks in his area that had the proper wheel base and started work, using photos that I purchased from the Imperial War Museum.

Even though it was not running; we took it to a number of events in 1993, 94 & 95, to give it as much exposure as possible. Most notably "The Soldier of Fortune Show" in Las Vegas in 1994; "The Great Western Gun Shows", Woodson Bridge and Big Bear.

In October of 1995; Rick had installed an engine and we "field tested" it at the 1st Winnemucca, Nevada event. I actually drove it under Rick's careful tutelage. That following August 1996, we took it to our first judged MVPA Convention in Portland, where I registered it in the proper 1 ½ Motor pool ready class. Looking back I cannot tell you how nervous I was, to have someone "pick apart" what Rick and I had so carefully researched and assembled. Not to worry as we took 1st place in our class. When I asked Kenton Tucker about judging he was a perfect gentleman and explained how it was done.

In the intervening years Rick gradually improved the truck mechanically and I added to the appropriate British kit. We have displayed the truck as far North as Tacoma, Washington, South as Los Angeles and has far East as Las Vegas and Reno (actually Winnemucca is further east).

We have done Air Shows, Truck Shows (ATHS), car shows and an unbelievable number of parades (including San Francisco). I have enjoyed every minute of it, and have a wall of awards to show for it.

In 2004 I added an LRDG jeep to the collection (as Donna wasn't keen on riding in the truck). That opened up other local events that I could attend without having Rick bring the truck down from Yreka; and to continue touting the adventures of the LRDG during WW II. Shortly thereafter Rick started on our second truck (T-9) which was to be the Radio Truck. It was to be ready for 2008 MVPA Convention (again in Portland). Not making excuses but that didn't happen. Again it was to be ready for the 2013 MVPA Convention (again in Portland), which didn't happen, we still had a wonderful display with T-8, my jeep, John Neuenburg's S.A.S. jeep and Kevan Bowan's P.P.A. jeep.

It was becoming difficult for Rick to continue bringing the truck to MVCC events and I had neither the expertise nor equipment to haul it around; I was just able to handle the jeep and trailer rig. Rick actually drove the truck to Lodi on several occasions when his tow vehicle was non-op. And it didn't look like the second truck would ever get finished.

So in November of 2015, I convinced Rick that the trucks would be better off finding a new home, and Eagle Field Foundation was the place. Doug Boales has plenty of room and a bevy of volunteers to help with the maintenance etc. He has done an excellent job taking it to several venues that we hadn't considered. He managed to get both trucks to the MVPA Convention at the Alameda County Fair Grounds, has had them both painted and done much needed maintenance on T-8.

So as soon as it can be arraigned, donation and transfer of ownership will be conveyed to the Eagle Field Foundation. I will still continue bringing the jeep as long as I am able, but will soon be celebrating 79 years on this earth, and have greatly enjoyed the last 25 years as a member of the MVCC.

Jack

Scott Rohrs, North. Bay West VP  
Divisions 707 & 415 west  
415-259-8177  
recon3rdid@yahoo.com

Hello North Bay West,

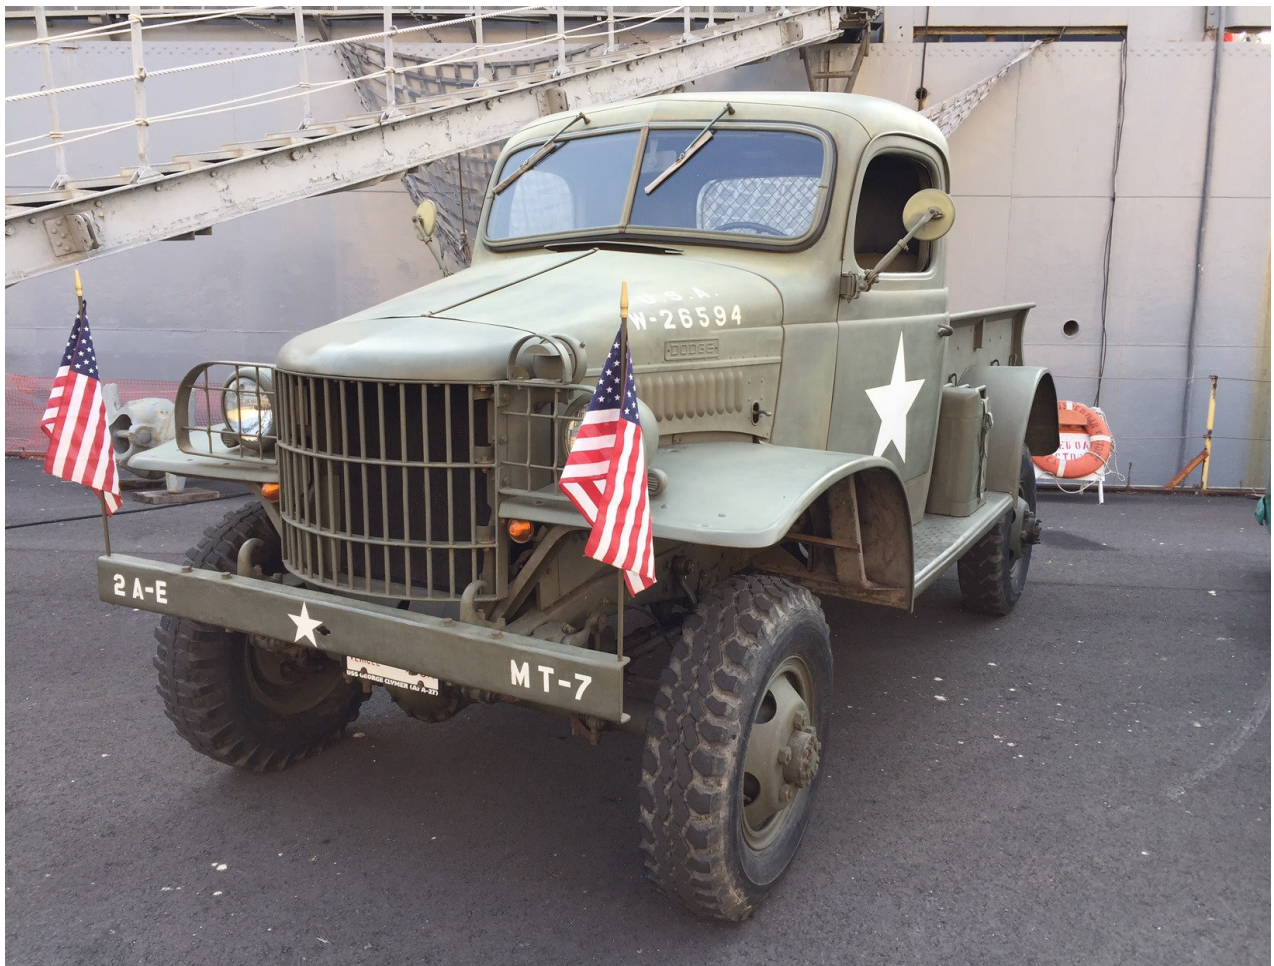

Tonight I am writing this article from my desk at the firehouse. As you all know Napa & Sonoma Co. has been rocked by devastating Wild fires! With in those fires several of our members have lost their homes and military vehicles. Please keep these members in your thoughts and prayers. This is a very difficult time and support is what our members need. I will be her until these fires are out.

Now I want to invite you all to our annual Veteran's Day parade in Petaluma. Like I always say, this is the largest MV contingent in California. We typically get from 25 to 30 MV's out for this event. We kick it off at our staging area at the Petaluma Veterans Memorial Building on 1095 Petaluma Blvd. We meet in the back parking lot. After the parade the Vets host a chilidog lunch and the bar is always open! This is our biggest parade of the year. Look forward to seeing all the regulars and some new participants.

See you all there,

Scott Rohrs

North Bay West VP
