## WAGON MISTRESS UPDATED INFORMATION

Jo-Ann Lesser 408.238.8277

Tower Park is wrapping up renovations, they have asked the MVCC to wait on reservations for our April 2019 Camp Delta meet. Reservations for current MVCC members will be open October 1, 2018 and everyone else on November 1, 2018. This meet will be a 4-day minimum event however, early birds are always welcome. The MVCC will have campgrounds 2, 3, and 4 same as in years past. We will not have new campground 1 (sites 1 thru 84). As we are starting over with this meet, all reservations will go thru the Tower Park reservation system 209.369.1041. After this year, reservations will go through me JoAnn.

Go to [www.towerparkresort.com](http://www.towerparkresort.com) and check out the current campground map. Choose a site that will best accommodate you. Some sites are no longer back-to-back sites and are now 70' pull through's. We will be tight on spaces as we've lost about 50 sites to cabins and redesigned sites. Sharing of sites is encouraged however, Tower Park will not split the bill. This will need to be worked out on your own. If you will be needing a dry tent site you will need to contact me directly 408.238.8277.

At the time you make your reservation you will be asked to place a deposit of 50% of the cost of your stay. The remaining balance will be due at time of check-in. Anyone looking for a tent site will need to confirm with Tower Park that the site chosen will accommodate tent stakes. Rates for sites was published in issue 4 of the MVCCNEWS.

Hello Everyone:

I had a great time at Eagle Field. If you missed this two-day event, you should plan on attending the next one. It is a lot of fun. There is lots of room to drive the vehicles around and to camp.

This year, thanks to Paul Lubker and his helpers, there were very nice bathrooms and shower facilities that were all freshly built by Paul and his team. Thanks, Paul.

I want to thank Joe Davis for hosting this event with a great USO dinner, bar, a swing band and zoot suit dance contest. It was a blast. There are some pictures in this issue.

The summer is here, and it has been hot. As I write this, there is a working wildfire near Clear lake. The club has several fire crew members in the North Bay, and I know they are on the lines and will be all fire season. Please stay safe and thanks for all you do.

Lots of Fourth of July events are happening. If you are not sure what's going on near your home town, call your Regional VP, and they will get you rolling in the right direction. All the VP contact info is in this newsletter. Fourth of July parades and BBQs are always a great time to get the vehicles out to fly the colors and celebrate our great nation's 242 birthday.

So, top off the 90 weight and clean the windshield, it's going to be a great summer.

There are still a few sites and cabins left for the September swapmeet at Camp Delta (Jellystone Park). Call Joann Lesser 408.238.8277 and get squared away.

The fall event will be a great time to look around the park and check out the changes they have made so you can better plan for April 2019.

A friend, Dave Butler, from Vintage Power Wagons, now retired, sent me this picture of a storage shed he found in New Mexico. As you can see the roof is the bed off of a USMC WW2 International M-5H-6 6x6 cargo. A very rare USMC bed to find loose or even on a truck. It was recovered from the rancher and will be used to complete a truck.

Hello 510/925 MV'ers,

I just recently received the MVCC Membership Rooster so I've updated the 510/925 email list to include all current members.

Other Stuff:

We had a great time at the Power Wagon Rally last weekend and managed to get the M37 out to play in the dirt. I've attached some photos.

This Sunday is Cars & Coffee at the Blackhawk Museum. We're likely going to head over there and then have brunch afterwards if anyone would like to take there MV out for a spin. It's from 8-10am at the Blackhawk Museum in Danville.

If you received an email for the 1st time and don't want to be included in the local events email list just drop me a line and I'll remove you.

Hope to see some of you at Cars & Coffee or the July 4th Parade in Danville. We will assemble at Area M in the San Ramon Valley High School South parking lot [the same area as in recent years]. It is easiest to turn on to Del Amigo Rd from Danville Blvd/Hartz Ave, then Left on Verona Ave, then Left on Love Lane, then Left into the parking lot.

Hello MVCC Members!

I'd like to start by thanking all the MVCC Members for bringing their military vehicles to Eagle Field and making it a successful event! You guys are great! We had 22 Military vehicles show up, that don't include the many military vehicles already stationed at Eagle Field. Eagle Fields Friday night BBQ DINNER cooked by Jim, Chris, Nick and Mark was greatly enjoyed. While we enjoyed our dinner we talked about the plans for Saturday's Fly In. Saturday morning I went out at 7AM I went out to the back area "golf course" to set up a scavenger hunt for everyone that had a military vehicle to participate in. You had to find 15 "check points" so you could decode a secret phrase. The first person to break the code was Chris Thomas, code was AIR APACHES 345 BG. It took a while but he got it. First 10 winners got free T-shirt's or signs. We plan on doing the code run again next year! At 1:30 we did a convoy with Military Vehicles that was used for a film/drone and photo op.

Next year I am the POC for the April Tower Park 2019 BURMA GTB's and BOMB Trucks show! Anything bomb related is invited! My cell is (209)765-1273. You have less that a year to get your Burma's and Bomb Trucks ready! There will be PRIZES for 1st, 2nd and 3rd!

Keeping History Alive!

# THE 21-DAY SALUTE TO AMERICA

There is a little-known law that sets aside a period to honor the United States. This law was passed in 1975 and states “...that Congress declares the 21 days from Flag Day, June 14th, through Independence Day, a period to honor America, that there be public gatherings and activities at which people can celebrate and honor their country in an appropriate manner”.

- #1. Display our flag every day during the 21-day period
- #2. Pledge allegiance to our flag each day.
- #3. Urge various organizations to promote America, and unity among all Americans
- #4. Stimulate love and admiration for our National History and traditions during public ceremonies.

Every community, group, and individual may participate in the nation-wide effort by helping the handicapped and the aged, and by encouraging the young to understand the opportunities and responsibilities inherent in our constitutional system.

## AFTER ACTION REPORT: EAGLE FIELD DINNER DANCE FLY-IN

This was our first time at Eagle Field and it certainly won't be the last! Other commitments in years past have kept us away but with Erik's retirement, a new motor home and a borrowed trailer to haul our '42 Willys, we were able to make the journey to this isolated airfield. Built in 1942 to train pilots for WWII, it's holding on due to the hard work and commitment of its owner, Joe Davis, and many, many volunteers. On Saturday, we watched the arrival of vintage aircraft including WWII war birds, observation planes, passenger planes and a trainer. Military vehicles were driving around and the day ended with an excellent dinner and dance complete with a swing band. Lots of guests were dressed in period clothing and uniforms giving the event a very authentic look and feel of what it must have been like back in the early 1940s.

Saturday also included an military vehicle scavenger hunt, organized by Don Gomes and Johnny Verissimo, where the vehicle crews drove around the base looking for clues to crack a "top secret" code. We had 3 excited kids in our Jeep helping us search. After gathering all the clues, they enlisted the help of their grandfather (whose father had trained at Eagle Field) and were eventually able to crack the code.

This is why we love this "hobby" of ours. Yes there were planes and military vehicles but more importantly, there were people. Families impacted by our military who want their children and grandchildren to know and appreciate this history. The kids manned our .30 caliber, wore helmets and listened to stories, They were very happy to receive MVCC patches for cracking the code (thank you Don Gomes) and I am certain that they will want to someday own a military vehicle of their own someday. The kids were more than happy to go back out on Sunday to pick up all the code papers from around the base.

Eagle Field is already on our calendar for June of 2019. We will be back with our Jeep and look forward to seeing all those new friends to share more history, knowledge and camaraderie.

## Report on the Best of the West Show. Sant Margarita

This year's show was bigger and better than ever. Saturday's Tractor Parade was no. 1, in my opinion and the best I'd ever seen anywhere. No. 2 had to be James Bundgaard's "Camp Patriot" display. He had 1/2 shelters from the Revolutionary War to present day, 4 large tents full of displays, a WW1 gun tractor, and a Boy Scout troop there for the 3 days, cooking outdoors and sleeping in the 1/2 shelters. James also walked in the tractor parade and around the complex wearing his WW1 uniform and rifle with bayonet. No. 3 was our MV camp with about 15-20 vehicles and our parades through the complex and the town of Santa Margarita.

There were only 4 or 5 planes at this year's show, but there were plenty of fly-overs. Tom Madden, who puts this show together, should be extremely pleased with this year's results.
