Robert Canepa driving his Dodge WC52 in the Danville July 4th Parade. Looks like his vehicle was a hit with American Legion guys. All and all, the parade went very well. Mustered 10 vehicles, filled them with people, and everyone had a great time. Andy Shyers.

AT THE FRONT

Dave Ball, MVCC President
(408) 805-0065
vought@msn.com

Hello Everyone: First I want to thank everyone that took the time to vote in the MVCC 2019 election. I also want to thank Randy Canova and Claude Mourey for acting as the election committee. The ballots have been counted and a report was sent to the club secretary July 1, per the by-laws. The results will be posted in the August MVCC Newsletter and the newly elected officers will be seated also per by-laws September 1, 2019.

If you take a look at the adjacent page (5), you will see the announcement for the Fall Swapmeet at Camp Plymouth. I would like to thank Dave and Nancy Porter for once again going way beyond and getting the MVCC good to go. Dave has sent an updated campsite map, pages 10-11, for the MVCC Fall 2019 meet. "Campsites have been enlarged slightly (from 20x30 to 22x34) based on our experience from April. Most are in relatively the same location as April, but a few were relocated across the access road". Joann Lesser has an article in this newsletter on page 6. Please read that.

There is a new 49er management requirement that the MVCC will now collect all reservation monies and pay that to the 49er RV resort directly. We did this at the fairgrounds for tent camping in April. To make this easier for all, there is a sign up sheet located on page 17 in this newsletter. It must be filled out and sent to Joann Lesser with a check. You don't want to wait and do this later as we have limited space available, and we all have different needs. We will be advertising this locally and internationally. I would like to thank John Neuenburg for helping with getting the word out and putting the ads out there like the one he created on page 5.

I don't think I need to tell anyone that over the last several years the MVCC has had a pretty tough time with the campgrounds for our swapmeets. Personally it has taken a major toll on my time and projects. Camp Plymouth has been a glass of water in the desert for me. It took many man hours to pull these events together, and I want to thank all the board members that have helped me in getting the 49er and Amador County Fairgrounds on board.

It is in every MVCC members best interest to give the 49er front desk a break. Every reservation question you could possibly ask, Joann Lesser can answer. Call her at 408-238-8277. Joann as the MVCC Wagon Mistress has point. Joann will work closely with Dave and Nancy Porter as well the two camp grounds to solve your issues.

Everything you need to know to get a campsite is in this newsletter, and soon it will be in the private area of the website, www.mvccnews.net My phone number is 408-805-0065.

I hope to see everyone with vehicles and parts at "CAMP PLYMOUTH." Everyone is welcome as always.

September Camp Plymouth

NEW INFO MUST READ

Hooray, dates for September 2019 and April 2020 have been secured!

September 16 thru 21st. (4 night minimum stay September 18 thru 21st) at the 49'er RV Resort and tent camping at Amador County Fairgrounds.

This year and continuing onward there will be a procedural change in how reservations can be made. The MVCC will now be collecting all funds from our members and will be making one payment to the 49'er and the Fairgrounds. In this newsletter you will

find a camping registration form for making reservations. Please fill out and follow the instructions for payment and mailing. We are on a short time line for this year and in that regard, **payment in full** for your requested site needs to be received by **08-28-2019**. Once your registration and payment has been received, any cancellations must be made prior to **09-11-19 for full refund**.

For this year, the event will be handled on a "first come" basis both for the 49'er and the Fairgrounds. This will then give me a data base of names and sites for September of next year. This means you may not have the same site as you had last April. As we get more familiar with the fairgrounds some changes will need to be made. The sites in April were 20'x30'. This time around we are hoping to be able to make them a little larger and better marked. We would like to see only 1 tent and 1 vehicle per site and all utility trailers parked in the large field. Parking in or on the sides of fire lanes will not be allowed. If you have guests coming to camp with you please advise them that their vehicle will need to be parked outside of the camping area.

As for April, the dates are April 13 thru 20th. (4 night minimum stay April 15 thru 18th)

Early birds will be accommodated if site is available.

Look for an April camp registration in upcoming MVCCNews issues.

As usual, any questions or concerns, give me a call 408.238.8277

65th Anniversary Camp Stoneman Celebration

They are looking for vehicles from WWII and Korea, when Stoneman was active, but I suspect they won't turn anything OD away! There are 2 MV events to choose from:

MV Car Show Thursday Night August 29th from 1800-2000 on Railroad Ave. between 6th and 7th Street & MV Car Show Saturday from 1100-1600(?) at the Camp Stoneman Monument.

They also plan to have "storytellers" who will talk about their experiences at Camp Stoneman. Are there any MVCCers who shipped out of Camp Stoneman that would like to share their stories? If so send me a note and I'll contact the organizers.

(<http://www.militarymuseum.org/CpStoneman.html>)

Time to head off to the Shop and get those projects done. I wish I could find out what's causing the rattle in the M37! I guess at some point it will become VERY apparent :).
